SERVICES

1 Shipping Agencies

Comprehensive Port Agency Solutions for Seamless Operations

we provide integrated ship agency services across Indonesian ports, delivering smooth, compliant, and cost-effective port call management for a wide range of vessels. With deep local expertise, 24/7 coordination, and a proactive operations team, we ensure every port call is handled with precision and care.

From arrival to departure, we oversee every aspect of port clearance, logistics coordination, documentation, and crew matters—so our principals can focus on their voyage, while we handle the complexities onshore.

Vessels We Serve

We proudly support various vessel types across commercial, industrial, and special-purpose operations, including:

- Container Ships, Tankers, and Bulk Carriers
- Heavy Lift & Breakbulk Vessels
- Cable-Laying & Maintenance Vessels
- Government, Naval & Research Vessels
- Offshore Support Vessels (OSVs)

Each vessel type demands a unique approach—and our experienced team delivers tailored solutions to match.

2 HLV Specialist Ship Agent

Expert Handling for Heavy Lift Vessels & Project Cargo

Specialize in providing dedicated ship agency services for Heavy Lift Vessels (HLVs), ensuring seamless port operations, precise cargo handling, and full regulatory compliance. Handling oversized, ultra-heavy, and complex project cargo requires deep expertise, strategic coordination, and a strong local network—this is where we excel.

With a deep understanding of HLV operations and extensive experience in supporting heavy machinery, infrastructure modules, and offshore energy projects, we offer end-to-end agency solutions that minimize delays and optimize efficiency.
